Sir:

The undersigned hereby requests reconsideration of the decision (mailed Feb. 6, 2004) of the U.S. PTO denying the undersigned's request to withdraw as the attorney/agent of record. The basis for the denial was that the undersigned failed to indicate the address to which future correspondence should be mailed.

The undersigned respectfully requests reconsideration of this decision, and submits that, based on information and belief, all future correspondence should be mailed to:

Mr. Jaiwei Huang, Reg. No. 43,330  
JC Patents

Irvine, CA 92618.

**RECEIVED**

**GROUP 3600**

With his original petition, the undersigned attached a copy of the letter that was sent to the undersigned by the client, which revoked all power and authority that the undersigned had to further

act in this application. That letter also stated that the future power would be vested in JC Patents (but did not provide an address of JC Patents). The address provided above was obtained from a simple search for "JC Patents" made of the registry maintained by the U.S. PTO (copy attached).

No fee is believed to be due in connection with this response. However, should any fee be deemed payable, you are hereby authorized to debit our deposit account 20-0778.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Daniel R. McClure", written over a horizontal line.
